Martha's Vineyard Island

After breakfast, we'll venture to Woods Hole and board the Steamship Authority ferry for a short cruise to the beautiful Island of Martha's Vineyard. Located seven miles off the coastline, this Island offers a vacation ambience unlike any other. Once an early refuge for coastal ship traffic, it blossomed into a whaling community in the 18th and 19th century and evolved to what is now a popular tourist destination of today. Explore the diversity of its island towns, take a walk along our pristine shores, and step back in time to a more leisurely pace. Enjoy a guided tour of Oak Bluffs which is noted for its collection of small Carpenter Gothic cottages clustered in the Methodist Camp Meeting Grounds, and Edgartown, known for its stately Greek revival homes built by sea captain of years ago. Dinner will be on your own today while we are on the island. **Meals – Breakfast**
